

DRIVING INNOVATION

Our New Discoveries Roadshow is coming to
Parque Científico de Madrid
19th of June 2018

Attend our free seminars to hear about:

- 10.00 - 10.30 Leveraging Animal Models for Cancer Research
- 10.45 - 11.15 Interrogation of Three-Dimensional Cell Models in cancer research
- 12.00 - 12.30 Raise Standards for Preclinical Research : Antibody Validation
- 12.45 - 13.15 Applications of the King Fisher and beyond

Then take a look at our innovative products and technologies to learn how we can help you to get more out of your research. For an even closer look, bring along a sample and we will run a live demo for you.

Register now to receive a complementary lunch on the day. Please also specify if you will be bringing a sample with you.
